Decisions Made
We decided that Candice will start first to introduce our new topic, and then each group member will talk about their research part followed by the order of “opportunities”, “risks”, and “chances”.

Discussion
<p>We arranged a meeting to discuss the presentation for 28<sup>th</sup> May.</p> <p>As our project topic has been changed, we decided that Candice will start the conversation by briefly introducing our new topic to the audience. After that we will each present our part of research, starting with Zeju talking about the opportunity, and Haiyang discussing the risks, and Candice will go last and talk about the choices.</p>
